Module 2 Overview

Designing and Delivering Accessible Online Courses. Licensed CC BY 4.0.

Microsoft Word

In this module, you will learn how to create accessible WORD documents that accommodate the needs of all students, including those who use assistive technologies. Through guided demonstrations, you will explore best practices for applying key accessibility features in WORD documents that align with WCAG 2.1 AA standards.

Learning Outcomes

After completing this module, you will be able to: 1. Apply accessibility-aligned document structure in Word. 2. Evaluate and revise Word content for accessibility. 3. Define key document properties.

Activities

1. Accessible Microsoft Word Video
2. Microsoft Word Quick Guide
3. Knowledge Check
4. Apply it: Microsoft Word
5. Resources

Estimated Time: 25 minutes
