Module 4 Overview

Designing and Delivering Accessible Online Courses. Licensed CC BY 4.0.

Adobe PDF

In this module, you will learn how to create accessible PDF documents that accommodate the needs of all students, including those who use assistive technologies. Through guided demonstrations, you will explore best practices for applying key accessibility features in PDF documents that align with WCAG 2.1 AA standards.

Learning Outcomes

By the end of the module, you will be able to: 1. Apply accessibility principles to structure PDF documents. 2. Evaluate and revise PDF content using accessibility techniques. 3. Use automated and manual accessibility tools.
